Dear Mr. Weisberg,

Upon cleaning my apartment (an awesome task which I should probably perform more frequently) I came upon some older articles and clippings which I had put aside and never sent. Along with those, I am including some more recent pieces.

Included here is an article from HUSTLER on the RFK assassination, a front page article from a year ago in the NEW YORK POST about the fact that J. Edgar Hoover was worried that someone was impersonationg Oswald (something you reported long ago in your WHITEWASH series), an article from THE WEEKLY WORLD NEWS on the deaths of JFK assassination witnesses and more recent articles reviewing Anthony Summers book CONSPIRACY and clips on the Michael Eddowes case. The review of CONSPIRACY is interesting, not as a review, but as a piece from a person who over the years has been swayed in his thinking that Oswald was the lone assassin.

I saw Anthony Summers on THE TOMORROW SHOW and he really had little to add. I read his book (tookit out from the library) and it seemed to be a summary of everything I've ever read plus a few new conclusions from the Assassinations Committee thrown in. Have you read it? I can't make heads or tails out of this thing with Michael Eddowes trying to have Oswald's body exhumed. Do you know what that is all about? I happened to catch a program on NBC called SPEAK UP AMERICA!, a down right embarrassment of a TV show, on a night when they had part one of a piece on the Kennedy assassination (Part 2 is this Friday night - Jim Garrison and Oswald's mother are scheduled). Part One showed the Zapruder film along with the uncovered tape of the assassination. It was done very superficially and the topic was exploited the way THE NATIONAL ENQUIRER would handle it. They then concluded the piece by having the city of Columbus(which is set up on the QUBE cable TV system so their votes can be tabulated immediately) vote on one of the following theories: 1. OSWALD DID IT 2. OSWALD AND OTHERS DID IT 3. RUSSIA DID IT 4. CUBA DID IT 5. WE'LL NEVER KNOW. It was at this point I turned the show off.

I am curious to know what you have been up to and whether you have any writings planned. I know you have been concentration on your court work and I am curious to know what the results have been. As usual, I wish the best of luck and hope that your health is holding up. Take care.

Best,

Robert
